

Code of conduct

AQ Group enjoys invaluable reputation of credibility based on a history of always acting reliable, with integrity and in compliance with applicable laws and regulations. The company's values and commitment to sustainable development are, and will always be, reflected, promoted and implemented in policies, decisions and actions.

AQ Group participates in The United Nations Global Compact. www.unglobalcompact.org.

1 Scope of Application

AQ Group's Code of Conduct has been established to underline the principles by which the company conducts its relations with employees, business partners and other stakeholders. It applies to all members of the organization. Further, AQ Group expects all business partners (suppliers, dealers, consultants, etc.) to implement the same principles.

2 Business Principle

2.1 Legal Compliance

In every country in which we operate, AQ Group shall accept the laws and regulations of that country. In situations where the law does not give guidance, AQ Group applies its own standards based on its documented corporate "Core values" and culture. In cases of conflict between mandatory law and the principles contained in this code, the law shall prevail.

2.2 Relations with Business Partners

AQ Group's dealings with its business partners are characterized by fairness.

AQ Group shall not offer customers, potential customers, governments, agencies of governments, or any representatives of such entities, any rewards or benefits in violation of either applicable laws or reasonable and generally accepted business practices.

AQ Group employees must not accept payments, gifts, or other kinds of reimbursement from a third party that could affect or appear to affect their objectivity in their business decisions.

2.3 Accounting and Reporting

All financial transactions by AQ Group must be reported in accordance with generally accepted accounting practices, and accounting records must show the nature of all transactions in a correct and non-misleading manner. AQ Group shall provide disclosure that is open, truthful, relevant, comprehensible and timely.

Employees and managers at all levels in AQ Group shall conduct their private and other external activities and financial interests in a manner that does not conflict or appear to conflict with the interests of AQ Group. Should a conflict of interest arise, it must be reported immediately by the person subject to the conflict to his/her immediate supervisor.

2.4 Political Involvement

AQ Group observes neutrality with regard to political parties and candidates. Neither the names nor the assets of the AQ Group Company shall be used to promote the interests of political parties or candidates.

3 Environmental Principles

3.1 Resource Efficiency

AQ Group processes are designed in such a way that energy and raw materials are used efficiently, and waste and residual products are minimized over the products' life cycles.

3.2 Precautionary Principle

AQ Group supports the precautionary principle by avoiding materials and methods posing environmental and health risks when suitable alternatives are available.

4 Human Rights and Workplace Practices

4.1 Human Rights

Within its sphere of influence, AQ Group supports and respects the protection of internationally proclaimed human rights and ensures that it is not complicit in human rights abuses.

4.2 Non-Discrimination

AQ Group hires and treats its employees in a manner that is not discriminating e.g. with regard to sex, transgender identity or expression, race, ethnicity, colour, religion or other beliefs, age, disability, sexual orientation, nationality, HIV/AIDS status, political opinion, union-affiliation or social origin. Diversity in the workplace at all levels is encouraged.

4.3 Labor

No form of forced, compulsory or child labor is tolerated in AQ Group. The minimum employment age is the age of completion of compulsory school. Freedom of association and the right to collective bargaining and agreements shall be respected in all AQ Group operations.

4.4 Health and safety

Good health and a safe working environment are fundamental conditions for our employees to perform well in their workplaces. Employees at AQ will make efforts to identify and prevent risks for illness and accidents. It is also fundamental to work for good leadership and a good working organisation in the workplace.
